**TOWN OF WHITE LAKE
BOARD OF COMMISSIONERS MEETING
APRIL 8, 2025
EXHIBIT "B"**

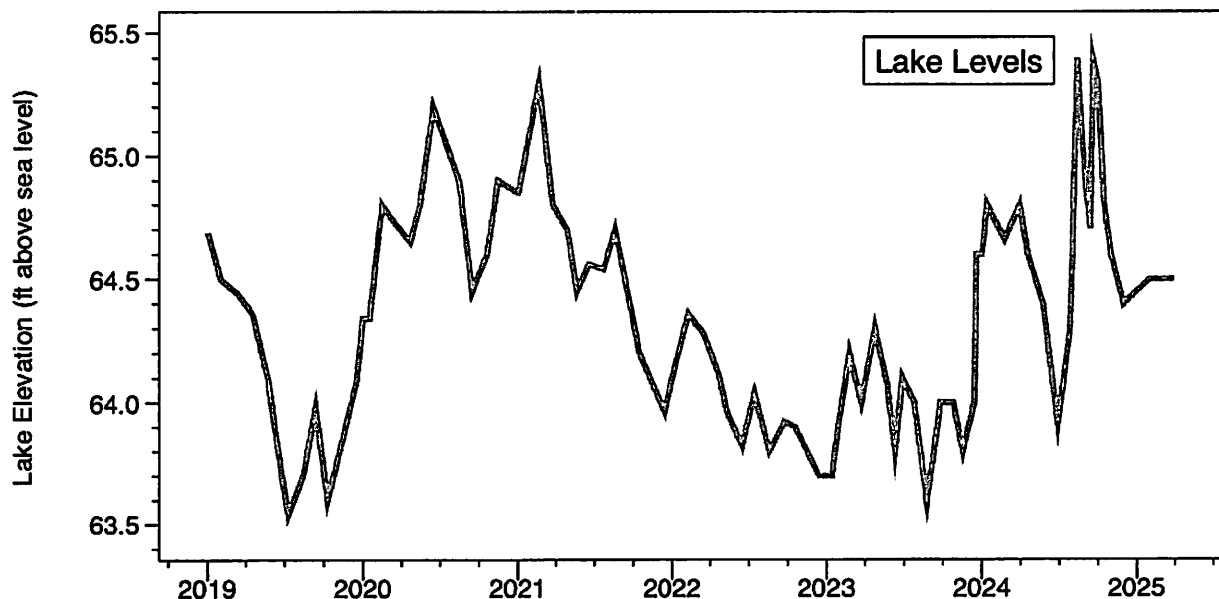

**Report to Board, Town of White Lake
April 2025**

**Diane Lauritsen, Ph.D.
LIMNOSCIENCES**

I attended two conferences in March, one in Raleigh, and one in Charlotte. At the first one I had organized a group of speakers for a special session on onsite wastewater treatment systems (aka septic systems), and I happened to meet the person who had been the acting director of DEQ back in 2018. She was in that position for only a short time, but she had retained her negative view of the town, and Mayor Womble. I mentioned that things had changed considerably and suggested that she look at the White Lake Watch web site. At the conference in Charlotte, I organized a special session on nutrient management which was well-attended, with scientists from North Carolina and around the world. I gave a poster presentation about White Lake, and got some good feedback and suggestions for collaborations, which is why we scientists go to conferences.

I obtained the report on the aquatic vegetation survey done last fall and will summarize the information for next month. The bottom line is that no hydrilla was found.

Rainfall in the first quarter of 2025 was below average and was roughly equal each month. The lake level has remained static since late December, at 64.5 feet NAVD 88.

Bladen County Call to Artists 2025-2026 NC First in Freedom Festival Regional Art Contest

2026 represents the 250th Anniversary of the founding of the United States. The journey toward this historic milestone is an opportunity to celebrate through multiple forms of expression. One such form is the arts. Bladen County's America 250th Committee in partnership with Elizabethtown-White Lake Area Chamber of Commerce is announcing this Call to Artists for participation in the 2025-2026 NC First in Freedom Festival Regional Art Contest. The art contest will be a collaborative event between the NC First in Freedom Festival (FIFF) Committee, Moores Creek National Battlefield, Moores Creek Battleground Association, Bladen County's America 250 Committee, and Pender Arts Council. The art contest is comprised of 2 phases: Phase 1, the County Art Contest, to determine the winners to participate in Phase 2, the Regional Art Contest.

Guidelines: Phase One – Bladen County Call to Artists

- The theme of the art contest is **"Freedom"**. This correlates with the NC First in Freedom Festival, relating to the celebration of our nation's 250th birthday.
- The contest is open to high school (public and private) and adult participants in Bladen County.
- **Digital art submissions** are due to Elizabethtown-White Lake Area Chamber of Commerce by **May 25, 2025**.
- Judging will be based on the following criteria: artwork encapsulates the concepts of freedom and patriotism, celebrates America at 250, and is inspirational.
- Contest entries must be original two-dimensional (2D) work created within the last 12 months using a medium of the artist's choice with a size not larger than 18" X 24" and no smaller than 8" X 10".
- Art must be gallery wrapped and "ready to hang" using eye bolts and wire. Frames are not required, but if the artist chooses to frame their art, the frame must be all black.
- Prizes for the 1st and 2nd Place Adult and Student Winners are being sponsored by Camp Clearwater. Prizes for winning entries will be awarded as follows:

1 st Place Adult	\$250.00	1 st Place Student	200.50
2nd Place Adult	\$200.50	1 st Place Student	200.50

- Email your high quality digital file to: admin@elizabethtownwhitelake.com. Once the digital file is received, you will receive instructions on where to bring the actual artwork.
- Subject Line: **FIFF Art Contest Entry**
- Include: Your name – Phone number – Student or Adult Category – Size – Medium - Brief description of the artwork submitted with a focus of how it portrays the meaning of "freedom".
- Winners will be notified by **June 30, 2025**. Winners will advance to the First in Freedom Regional Art Contest.

Guidelines: Phase Two – Regional Art Show

- The NC FIFF committee in conjunction with Moore's Creek National Battlefield and Battleground Association is responsible for coordinating and conducting the regional competition.
- Bladen County will deliver its 1st and 2nd place winners to the NC FIFF Art Contest Committee by August 16, 2025 at Pender Arts Council, 111 South Wright Street, Burgaw, NC 28425.
- The 1st place winners of each category from Bladen County will be judged along with the submissions from the other seven counties (Brunswick, Columbus, Duplin, New Hanover, Bladen, Onslow, and Sampson) to determine the regional place winners, 1st, 2nd, and 3rd. This phase will be completed by August 30, 2025
- The winning selection(s) for the regional art show will be made by the NC FIFF panel of judges and is final. First, second, and third place winners will be determined from the submissions in each of the two categories (high school and adult). The regional judges will use the same criteria to determine the overall regional winners: submitted artwork encapsulates the concepts of freedom and patriotism, celebrates America at 250, and is inspirational.
- The winning art submissions from each county will be on display at the Pender Arts Council, 111 S. Wright St, Burgaw, NC and then at Moores Creek National Battlefield from February 21-28, 2026 and possibly other venues TBD. The artwork will be released by the NC FIFF Art Contest Committee back to the appropriate counties as quickly as possible starting March 3, 2026.
- Prizes for winning entries will be awarded as follows:

1 st Place Adult	\$502.50	1 st Place Student	250.00
2 nd Place Adult	\$250.00	2 nd Place Student	202.5
3 rd Place Adult	\$102.50	3 rd Place Student	102.50

- In addition to the proposed awards above, the school from which the winning student submission comes will be awarded \$250 for the purchase of classroom supplies. The regional awards are in addition to whatever awards are given by the counties.
- The winning artwork submitted to the regional competition by the participating counties will be highlighted in the NC First in Freedom Festival Visitors guide.
- Pender County, NC First in Freedom Festival Committee, Pender Arts Council, Moores Creek National Battlefield, and Moores Creek Battleground Association maintain the rights to use photos of the art for marketing and promotion. The organizing committee reserves the right to not display any entry.

Please provide contact information of any nominee from your jurisdiction who may be able and willing to serve on the committee on or before March 31, 2025. Please also provide any details and qualifications that the nominee wishes to be used in consideration of their appointment to the TAC. Membership on the TAC Board is a significant commitment and we seek members that are willing and able to commit the time needed for meaningful participation.

For all TAC Members, membership requires filing of both a Statement of Economic Interest and a Real Estate Disclosure with the North Carolina Board of Elections and Ethics Enforcement by April 15th of each year, and immediately upon being accepted or appointed to the Board, in accordance with the State Government Ethics Act (Chapter 138A NCGS). More information on ethics requirements for RPO TAC Members can be found at the following link to training material for RPO Ethics filers:
